

Dear Friends and Colleagues,

Check out the following services provided by Mountain Lake PBS to your school district. **Call or email today to schedule a VITAL or Digital Literacy Workshop**

VITAL - Video in Teaching and Learning (Grades K-12) - New service offered statewide that provides short video segments aligned to state testing benchmarks.

Digital Literacy - online literacy games and curriculum aligned to programming.
Kids Island and Word Quest - free online literacy games aligned to National Reading Panel goals.

Homework Hotline - This is where kids get help with their homework-on air and online. This half-hour, live program helps students with homework questions in math, science, social studies, English and language arts. Visit homework-hotline.org for on-demand video and activities.

Assignment the World - Is a fast-paced, interactive program that covers the top news stories of the week from around the world and teaches kids about global issues. (All NY State Public Television stations provide ATW for streaming and download free to their districts at atwonline.org).

TeacherLine - Online professional development for teachers. www.thinkbright.org/teacherline

PBS Teachers - General online resource with lesson plans, resources and blogs on educational issues www.pbsteachers.org
